A crosswOERd puzzle for under the Christmas tree

When you are tired of all the food and drinks, we have created a little crosswOERd puzzle on the topic of OER for you to solve. After solving the puzzle, the letters in the boxes indicated with a * will form our wishes for you. And if you are dying to find out what OER means: start with the riddle on 12 across!
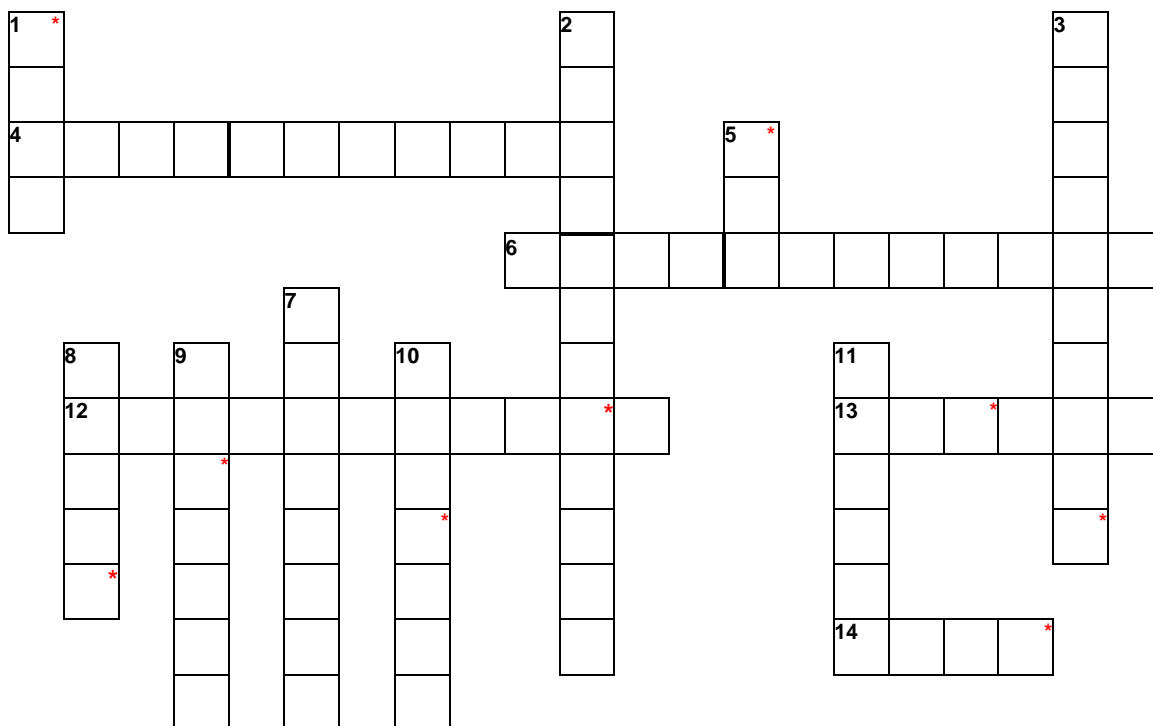

Solutions can be found in the resources following the puzzle. Of course, you can also use these resources when you want to dive deep into this topic to find out more.

Have fun!
